2024 YEAR IN REVIEW

This year we put in for a \$65,000 municipal grant and were approved for \$50,000.

A tractor have been bought for working on trails. Lewis will work off \$5000 that was put down on the tractor.

The Summerfest Steak Supper was a great success, we sold all 80 steaks.

We worked on the trail behind the mountain to Rt 2 with more work to be done in 2025.

The park n ride off Walker Settlement Road is done and we are waiting to see how it packs over the winter and whether we need to put a layer of good gravel on it.

Reimbursement for municipal grant was mailed out on November 7th and we finally received the check on the 27th of January 2025.

Hope to do more club rides and of course more trail work in 2025.
